A C T I V I T I E S

Sammy Seneca thought the Indians were rallying to go on the warpath again; but, alas, it was only the G. A. A. initiation. This is just one of the many activities engaged in by Hebron Students. Extracurricular activities are designed to provide students with opportunities for leadership, fellowship, recreation, and service.

RECESS

A T H L E T I C S

Sammy Seneca prefers the age old Indian game of lacrosse; however, as you can see, he is quickly adapting himself to some of the more modern sports. Basketball, as usual, reigned supreme with the Hawks enjoying a winning season. Baseball, cross-country, and track received increased support from the Hebron braves.
